Date, a tree that's categorized as a palm tree,
this tree has one of the sweetest fruits in the world.
Some even call it the "tree of life"... what do you want me to do with this?
WAIT! THAT'S WRONG!
In desert areas, it's a primary source of sugar and carbohydrates,
ths fruit has a great taste, and can be stored for long periods of time.
Oh, then... numbers representing a specific day...
HNYAH-!! NOT THAT!

I'M TALKING ABOUT WHEN A GUY AND A GIRL GO OUT TO PLAY!!
I know what it means, do you know why I pretended not to know?
Why a date all of a sudden?
Who told you about that word?
Sae Hee told me this morning...
Ah!
Well, what did I expect.
She's the only one that I can think of that would do this. Therefore...

SAE HEEEE EEEEE EEEEE EEEEE -!!!!!!
Why does it matter?
"Why would it matter?"
ARE YOU TELLING ME TO SPEND MY FIRST DATE WITH RANG II?
It's your first?
DON'T LAUGH!
Pfft-
I don't want to feel chemistry with phantoms in a strange place.
Sae Hee, aren't you quite a bit older...
It's my first time to!
It is for me as well.

I want to spend my first date with Na...
Stop right there.
...ture, so we should plan it out first.
You put alot of work using that stone inside your head.
Some-thing's behind her?
Tell me how that's different from a date.
Then how about you go take out the master to play?
Young master.
DAATE!!
DA TE!
A date is a date, and going out to play is going out to play.

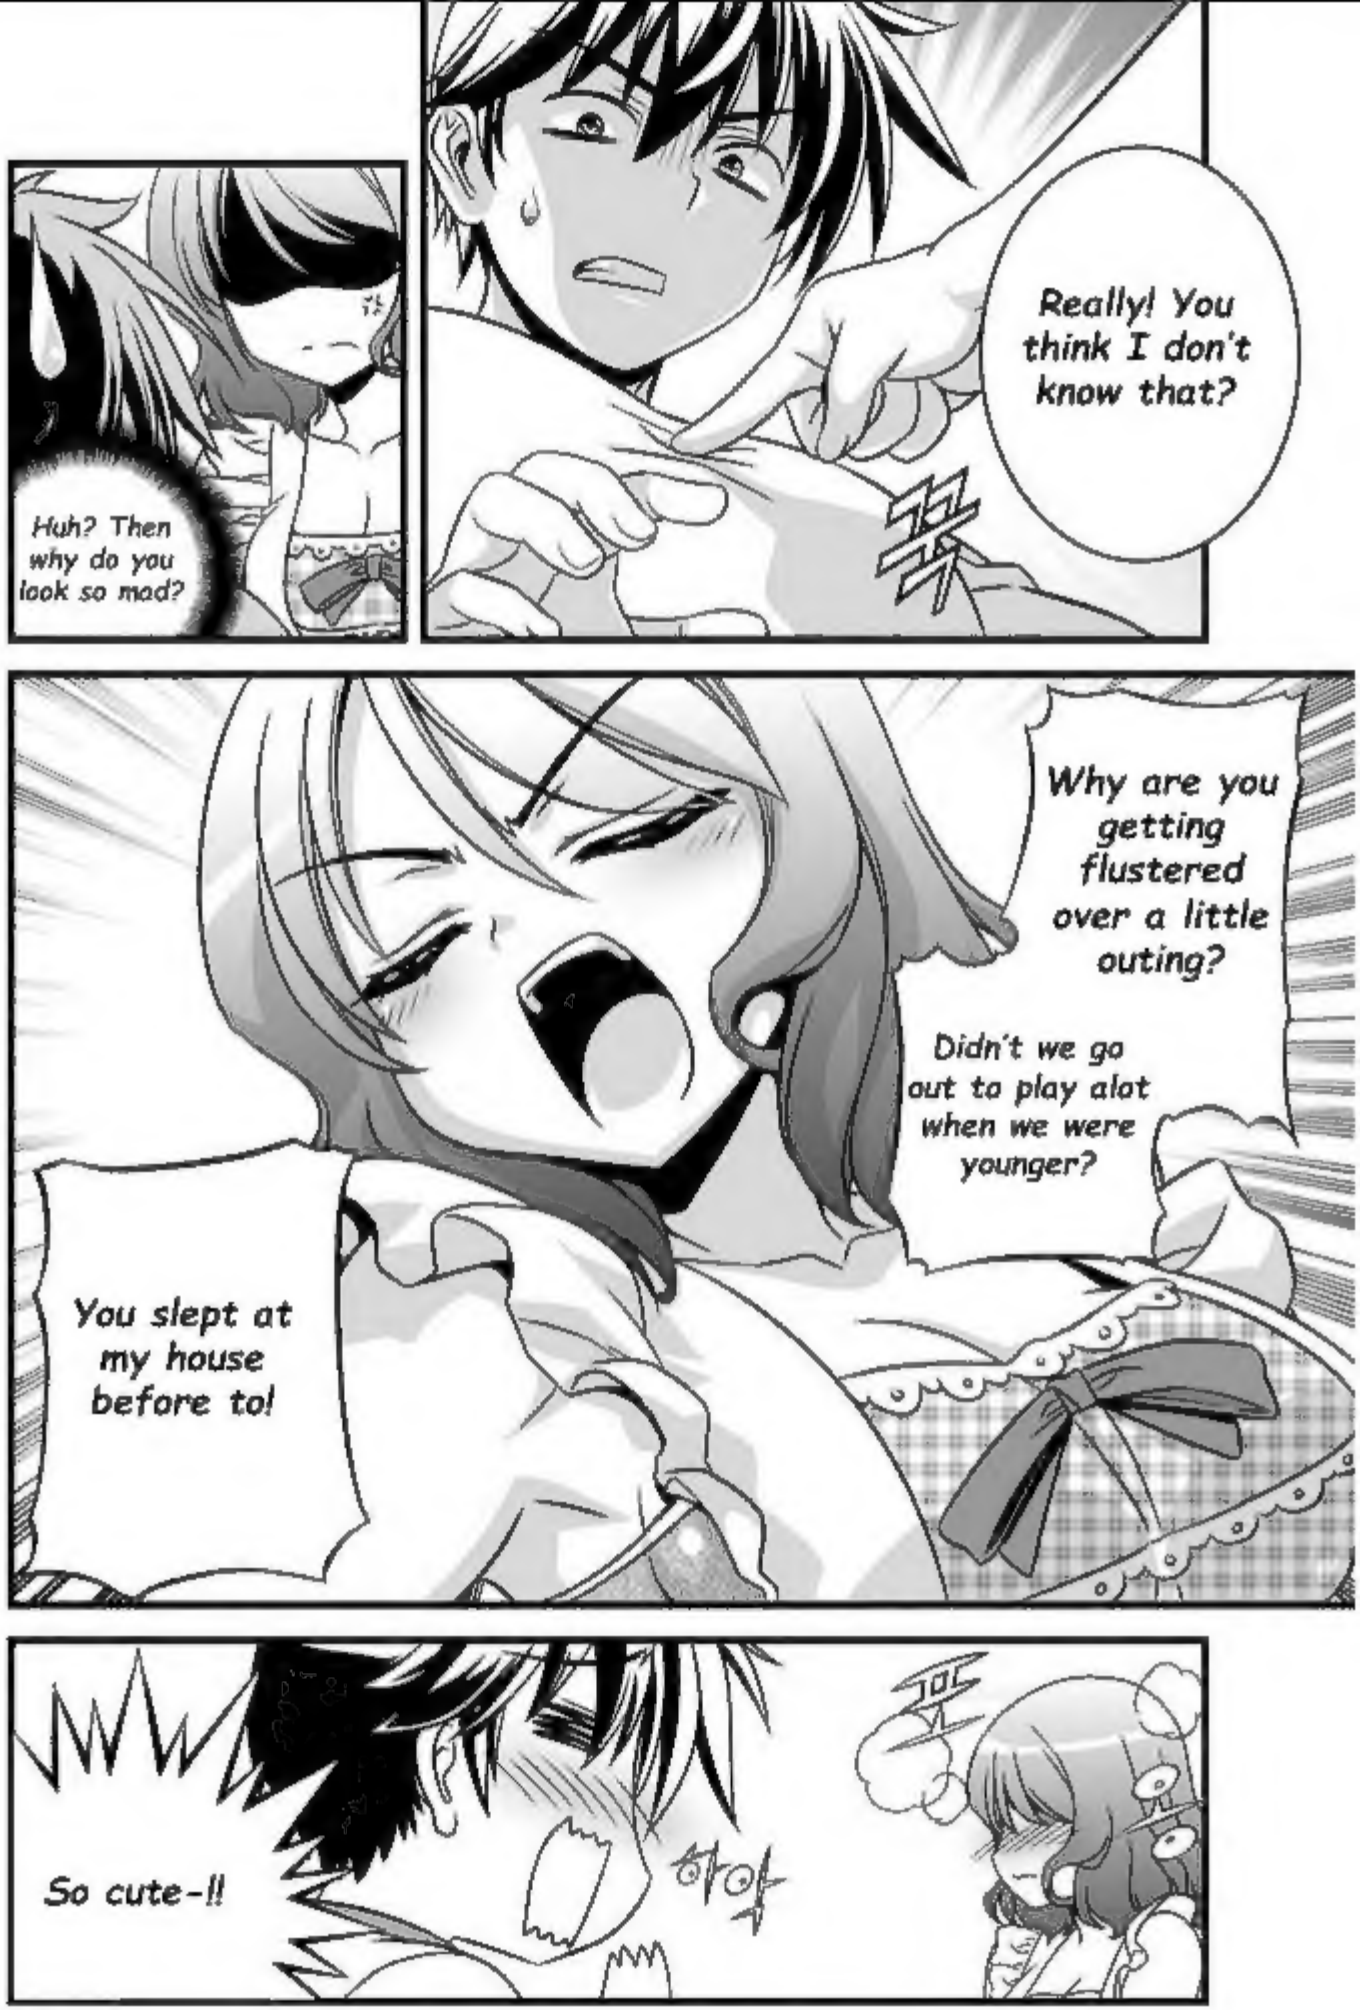
Is that so...

Rang Ii hasn't seen the world in the last several hundred years.
If I don't play with her a little bit, it's sad... right?

YAY-!!
Alright. Let's go.
깡깍
깡깍

Please CONSIDER the master's feeling as well.

Where do you want to go?
Where're you going?
I heard the word "date" so I came out.
Na, Na Rae?
Just what are you discussing while leaving me out?
We were discussing the young master and the master's plan for a date.
NO WE WEREN'T!
IT'S NOT A DATE! WE'RE JUST GOING OUT TO PLAY!
LOL



Really! You think I don't know that?
Huh? Then why do you look so mad?
Why are you getting flustered over a little outing?
Didn't we go out to play alot when we were younger?
You slept at my house before to!
So cute-!!

Rang Ii, can I come to?
Yea, you can come!
Good, the more the merrier.
You're not coming right? We need someone to watch the house.
Sorry, but I have to serve the master and young master.
so I can't stay home.
However.
You don't need to serve them during an outing, right?
You would be tired one, walking around with those useless lumps of fat.

What's with them?
I don't know.
They were like that since they woke up.
I'll stop them for now
He~llo~? You two~
WHAT!
Did you call?
They're in sync Are they really not getting along?
We decided where to go, can I ask you to make some bentos?
Where?

A children's park.
Wo
웅성
웅성
웅성

WOOOO
OOOOO
OOOW-
ドドド

Speaking of results, Rang Ii seems to like this place.
This park was built before I was even born.
A point of interest loved by all, regardless of age.
Compared to that...
First off, Na Rae's outfit!!
Sae Hee is wearing her usual outfit. I'm getting hot just looking at it.
But she's not sweating at all... she's really a phantom... no, she looks more like a ghost.
As expected of a pure maiden! But that one piece looks a bit tight around the chest...
What's wrong? Is there something you don't like?

Making a creepy face while looking out the window.
What do you mean "not really," as soon as I said "children's park" your expression changed.
Not really.
... I was just thinking of the old saying, a tiger listens during the night, and a bear listens during the day.

It doesn't just have to be manhwa, or web-toons. I'm fluent in both korean and japanese, so manga is fine.

Also if anybody has any idea how other groups remove text on the pictures... hit me up with that info. It pains me to just put a white box over it everytime.

I'll work as fast as I can, but sometimes I'm busy, so if I can't do daily releases please understand.
